DI·CHINA
International Invitational
December 2014

December 17, 2014

Destination Imagination would like to recognize the participants from the DI Poland team, **Private Academic Middle School no. 6 in Krakow; team no. 178-56853**, on their **3rd Place** finish in The Great Invention Challenge. These team members showed excellent creativity, engineering and problem solving skills at the International Invitational in Beijing, China.

Participants Include:

Jadwiga Ligeza
Alicja Pasek
Natalia Stockdale
Aleksandra Kowalewska
Zofia Rozdzenska
Michalina Handziuk

Destination Imagination applauds this and all other teams who were able to participate in this unique international event. Not only did these students participate in a rigorous educational event they also gaining valuable insight into cultures from around the world.

We would once again like to congratulate this time and we look forward to seeing more Polish students at events around the world.

Warm Regards,

Dr. Chuck Cadle
CEO
Destination Imagination, Inc.
